

MESE  
MÜNCHEN

- A4** **WORLD OF QUANTUM**
- A5/A6** Lasersysteme für die industrielle Fertigung  
*Laser systems for industrial production engineering*
- A6** Imaging  
*Imaging*
- A6** Sensorik, Mess- und Prüftechnik / Optische Mess-Systeme  
*Sensors, Test and Measurement / Optical Measurement Systems*
- B4** Optische Information und Kommunikation  
*Optical Information and Communication*
- B4/B5** Laser und Optoelektronik  
*Lasers and Optoelectronics*
- B5** Biophotonik und Medizintechnik  
*Biophotonics and Medical Engineering*
- B6** Optik / Fertigungstechnik für Optiken  
*Optics / Manufacturing Technology for Optics*

## RAHMENPROGRAMM / SUPPORTING PROGRAM

### Information / Information

- |   |  |
|---|--|
| <b>1</b> Photonics Forum Halle / Hall B5<br>Biophotonics and Medical Applications / Optical Metrology and Imaging | <b>4</b> BMBF-Networking Event<br>Quantum Computing            |
| <b>2</b> Photonics Forum Halle / Hall B4<br>Lasers and Optics   | <b>5</b> Forum<br>World of QUANTUM                             |
| <b>3</b> Photonics Forum Halle / Hall A5<br>Laser Materials Processing  |  |
| <b>Aktion / Action</b>  |  |
| <b>6</b> Start-Up Pavilion  | <b>8</b> Sonderschau / Special Show<br>„Photons in Production“ |
| <b>7</b> Career Center  | <b>9</b> Pavilion „Made in Germany“                            |
|   | <b>10</b> Speaker's Corner & Job Board                         |
|   | <b>11</b> Qiskit Hackathon @World of QUANTUM                   |

## GELÄNDEPLAN / MAP OF THE FAIRGROUNDS

25. Weltleitmesse für Komponenten, Systeme  
und Anwendungen der Photonik

25th World's leading trade fair for components,  
systems and applications of photonics
